

The Political Economy of China-Latin American Relations

Friday, November 12, 2021

2:00pm - 3:30pm

Free Live Zoom Meeting

Dr. Wise specializes in international political economy and development, with an emphasis on Latin America and Pacific Asia. She has written widely on trade integration, exchange rate crises, institutional reform, and the political economy of market restructuring in the region. Her recent book

Dragonomics: How Latin America is Maximizing (or Missing Out) on China's International Development Strategy (Yale University Press, 2020) analyzes the rapid and remarkable ties that have developed between China and Latin America since the 1990s.
